Day 1

Tarangire National Park

It's time to begin your safari. Welcome to Tanzania! After we greet you and provide you with the trip briefing, we'll take you out to help you discover why so many people think Tanzania is the best place in Africa to go on safari.

If you've never been to Tarangire (and even if you have) you're in for a real treat. Tarangire is filled with giants – baobab trees all across the park, as well as elephants, lots of them. But that's just the beginning. Of the big cats, you'll probably see lions, and cheetahs and leopards are around, too. And it's impossible to miss the wildebeest, giraffes, hippos, buffaloes and zebras. Your backdrop for all of this is one of the prettiest in northern Tanzania, with a memorable mix of river woodland, open plains and rolling hills. And some vantage points to take it all in.

Accommodation | Day 1

Farm of Dreams Lodge

Lodge

Close to Karatu but nicely separated from the bustle of the downtown area, Farm of Dreams Lodge is a lovely place to stay on your way between Lake Manyara and Ngorongoro. Rooms, all with mosquito nets, are a mix of terracotta, wood and thatched roofs. There's also a swimming pool, restaurant, and plenty of palm trees.

Activity Day 1

Morning

- Transfer by Road, **Njiro Legacy** to **Tarangire National Park**
- This morning you get to enjoy a guided game drive through **Tarangire**, one of the best wildlife destinations in Tanzania's north. Elephant sightings are almost guaranteed.

Meal Plan – Day 1

- Breakfast, Lunch & Dinner

Day 2

Serengeti National Park

You'll never forget the time you spend in the Serengeti. Perhaps it will be the sightings of leopard and cheetah as they show their skills as feared hunters of the plains and valleys. Or that unforgettable moment when an elephant family feeds alongside your vehicle, so close you could almost reach out and touch them. Or the first time you hear a lion roar. Then there are the herds of buffalo, zebra or wildebeest so large that they move as one across your horizon, like a river. All of these experiences are possible in the Serengeti, one of the most beautiful parks in Africa.

Accommodation | Day 2

Kon Tiki Serengeti Camp

Tented camp | Inside Serengeti National Park

When you stay at Kon Tiki Serengeti Camp inside Serengeti National Park, you're in a good location for exploring all that the area has to offer.

Activities Day 2

Morning

- Transfer by Road, **Farm of Dreams Lodge** to **Serengeti National Park**

Afternoon

- Come with us and explore **Serengeti National Park** on a guided game drive this afternoon. Your guide will lead you through a stunning savannah landscape as you look for big cats, elephants and other animals.

Around Lunchtime

- Join us for a picnic in **Serengeti National Park**, where you get to eat great food while surrounded by nature.

Meal Plan – Day 2

- Breakfast, Lunch & Dinner

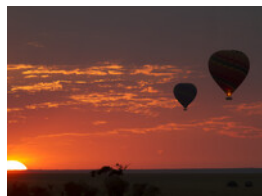

Day 3

Serengeti National Park

There's no such thing as too many days in the Serengeti – today you'll get to enjoy it all over again.

Balloon Safari, Serengeti National Park

Up above it all, you'll enjoy some of the best views imaginable when you join us on our balloon safari. As you drift high above the earth, you'll feel like you can touch the far horizon.

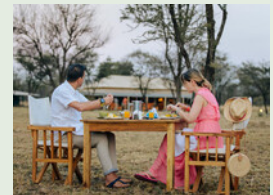

Accommodation | Day 3

Kon Tiki Serengeti Camp

Tented camp | Inside Serengeti National Park

Return to Kon Tiki Serengeti Camp.

Activities Day 3

Early Morning

- Balloon Safari, **Serengeti National Park**

Morning

- The guided game drive is the best thing about going on safari and that's what you'll be doing this morning in **Serengeti National Park**. From the comfort of your vehicle, there's always a chance that you might see some of the animals that you came so far to see.

Meal Plan – Day 3

- Breakfast, Lunch & Dinner

Day 4

Ngorongoro Crater

You'll learn why magical Ngorongoro is unlike anywhere else in Africa. Cloud forests encircle the crater rim, and the view out across the caldera of this former volcano – quite apart from the altitude – will leave you gasping for air. Your drive down a steep trail carries you onto the crater floor where a unique wildlife offering is added to the sheer beauty of the experience. You'll share the sunken ecosystem of the crater floor with hyenas, lions, elephants, black rhinos and hippos. An ecosystem that has formed in the crater in the millennia since the volcano wrought its terrible fury upon the land. It could just be one of your best safari days ever.

Your safari will come to an end here and we hope that you will have fallen in love with Africa and with the whole safari experience. Enjoy your photos and wonderful memories until you can come back and travel with us again.

Activities Day 4

Early Morning

- Transfer by Road, **Serengeti National Park** to **Ngorongoro Crater**

Morning

- Exploring **Ngorongoro Crater** in the company of an expert guide could make your guided game drive here one of the highlights of your whole safari. Look for lions, black rhinos and spotted hyenas as you drive around the crater floor this morning.

Meal Plan – Day 4

- Breakfast & Lunch
